* Rates and guidelines are subject to change. All loans are fixed rate, 30yr loans. Special rates for people with disabilities apply to borrowers with disabilities and/or their live-in caregiver. First time homebuyers are defined as persons who have not had an ownership interest in their primary residence during the previous 3 years. Other exceptions may apply. In addition, borrowers must have an annual income that does not exceed income limits for the family size and the sales price for the county in which the home is located. Minimum FICO score of 600 required for HomeChoice loan. Program eligible in all counties in California.

**2nd Level of Down Payment assistance has lower income limits than main loan product. This 2nd level can be used towards the downpayment only when buyer's own funds, gifted funds, and/or seller credits are used to pay closing costs.
