We had our home on the market for over 6 months and it expired. Denis called us came over and told us how to sell our home. only 1.5 months later he sold it with 2 offers. I would recommend him to any one looking to sell their home. He always contacted me right away. We looked at 56 home to find many new home and he was patient not pushy and negotiated a lower price for me on the one I bought. Thank Denis
