"Having purchased several homes in the last few years, Robbye Noonan is by far the best real estate professional we have worked with. From our initial meeting to find the perfect home, Robbye listened to our needs and maintained an incredible level of customer service to provide a smooth real estate transaction. She shared her knowledgeable insight of the market to find that special place we now call home!"

Damon and Candace Flynn

"Libby and I wanted you to know how very pleased we were with the purchase of our new home in Chestatee. Due to some difficult challenges on the Seller's side, we thought the sale was going to fall through a number on a number of occasions, but due to your skill, dedication and persistence, we were able to ultimately close on our new home. Robbye, not only would we recommend you to all of our friends, we would use you over and over again for all of our personal real estate needs. Your attention to detail was critical in charting our way through the issues and your delightful attitude kept us calm the whole way through the process. All the while, you made us feel like we were your only client, when in fact we know how busy you truly were! Thanks again for all your hard work."
