

**Here is how our**  
**FREE HOUSE HUNTING SERVICE**

**WORKS**

You give us your home-buying criteria and we'll enter it into our unique computer system. You'll know about HOT new listings before other buyers because you'll receive daily emails or weekly printouts of ALL available homes on the market that match your home-buying criteria including pictures. No one will waste your time previewing homes you're not interested in. Shop at your leisure. Drive by to see only the homes you're interested in. Negotiate the lowest possible pricing because you are there first before other buyers. You are NOT PRESSURED by real estate agents (it's up to you to call us when you find a home you want to view). There is absolutely NO OBLIGATION to purchase a home.

If this is the type of SERVICE you have been looking for, call me today at 508-238-5000 x 358 or 781-881-4036.
