

Moving & Storage Simplified.

Portable On Demand Storage. A better way to move it or store it, when and where you need it. Whether you're moving cross town or cross country, the sturdy, weather resistant PODS® brand container provides convenient, secure, and affordable storage. It's simple: we bring the container to you, you pack at your own pace, and when you're ready, we take it away, to your place or ours. No truck rental, no time pressure, no unpacking and repacking of mini-storage. Moving and storage can't get any easier.

Move it. Cross town or cross country. Pack a PODS brand container at your convenience (or use professional packers) and when you're ready to go, give us a call — we'll pick up and deliver your container around town or to any city serviced by PODS.*

Store it. Onsite or outta sight. Clear out the clutter and make room for improvements—be it renovating or selling—clean, spare interiors set the stage for success. While your home is host to woodworkers or would-be buyers, store the excess in a PODS brand container, either onsite or at our dry and secure warehouse.
