

Personalized Badges For Real Estate Agents

All badges are 2 1/4" in diameter, with metal base and safety pin closure. Badges can be personalized with your name, phone and in some cases email address.

They are a great way to get attention! Use them in Listing Packets, for Open Houses, at Community Events, and more.

These are stock designs, for custom designs, please write to Kim at kbeckham@kw.com. Together we can work to create something with your unique logo or tagline on it!!

Actual Size 2 1/4" diameter

And For Recruiting

How is your Profit Share Tree doing? These recruiting badges—also 2 1/4" in diameter—can be used by office or agent to attract attention and get your contact info into someone's hands. Use them on marketing packets, at meet and greet nights, special events and more.

The general logo can be replaced with your office specific logo at no additional charge.

These are stock designs, but if you are planning a special office event to commemorate—grand opening, anniversary, fundraiser—or have another need for a custom design, please contact Kim at kbeckham@kw.com.
