

## Our website provides you the ability to take **CONTROL** of your home search.

With this **FREE** service you can use our **SearchSaver** and **Favorites** features to:

- Customize and save searches based on your personal search criteria
- Receive email notifications whenever new listings match the criteria you have set up
- Save listings to your Favorites Listings Folder
- Email your saved listings to anyone you like
- Manage and view your Saved Searches and Favorite Listings at anytime

To take advantage of this powerful and flexible tool:

- Go to **www.bettyandbrian.com**
- Click on the “Property Search” link along the left side of the webpage
- Click on the “Search For A Property In Your Area” link
- Set up your search criteria and Click “Save This Search” at the bottom of the page
- You will then be asked to create your own personal password protected account
- From that point on you will be able to take advantage of the features described above
- The next time you visit the site you will just need to Login from the “Search For A Property In Your Area” page located in the upper right corner of the page
