Dear Valued Clients and Friends,

It is our privilege to bring you our updated *Services Referral Directory*. We want to thank those of you who provided us information on these quality business people. We will be updating the directory when we get new information, mostly from you, so just come back to our web site when you need a new referral. Feel free to print a copy for yourself. Also, look on our web site for other useful information links.

Because these service provider names and other information came mostly from you, our quality clients, we feel confident you can rely on each one in this directory. Where we have good information, we have included more than one provider for each service.

Once again, we thank you for your business in the past, and ***we look forward to taking great care of you and the people that you refer us to in the future.*** So, when you know of someone thinking of buying or selling a home, please give us their name and number and we'd be happy to follow up.

God bless,

512-453-0903 ~ Echols@Texas.net ~ www.EcholsTeam.com

Please, Give us your suggestions and comments on additional Categories and Service Providers ~
