

Buckhead Convenience

One of the greatest benefits of living in Peachtree Park is the convenient location. Situated in the heart of Buckhead, Peachtree Park provides residents with access to one of the most diverse and exciting urban areas in America. The neighborhood is near the intersection of Peachtree and Piedmont Roads, west of Lenox Square. It's within walking distance to the Lenox Square Mall, Phipps Plaza, the most popular in-town Atlanta restaurants, and Peachtree Road and Lenox Road MARTA stations, as well as the Lindbergh Center Marta rapid rail stations and bus depot.

Buckhead is a major commercial and financial center and is the third-largest business district in Atlanta, behind Downtown and Midtown. Buckhead's high-rise office buildings, hotels, and condominiums along Peachtree Road are surrounded by suburban neighborhoods featuring dense forests and rolling hills.
