

Clark County School District

HIGH SCHOOL ATTENDANCE BOUNDARIES

(Grades 9-12)

2014-2015 School Year

Legend

Attendance boundaries are reviewed annually and are subject to change. All boundary changes will be implemented at the beginning of the subsequent school year.

All high schools are on a 9-month calendar.

The middle of the street is the dividing line between attendance boundaries except as noted.

- ★ Both sides of the street will attend the school on the side of the street that the name is printed.
- Comprehensive High School
- Magnet School within a High School
- Phasing Program Area

Phasing Program

The approved boundary changes will occur in phases, by reassigning one grade level each year until all grades, 9-12, have been reassigned. The 9th grade phasing will be implemented at the start of the 2014-2015 school year.

An option for older siblings to attend at their younger siblings' designated school is provided, with transportation, if eligible as indicated in policy and regulation 3531.

Future annual assessments of the area demographics will be conducted and may result in canceling the phasing plan by implementing the entire attendance boundary adjustment, as recommended, at once.
