Who We Are

- Keller Williams is committed to providing the most professional and most comprehensive services to our clients across the country.
- Our standards of performance are the highest in the industry.
- We have a corporate philosophy of “working for the client, instead of the agent working for the company.”
- By maintaining close relationships with lending institutions, we help buyers find the best possible financing possible everyday and we guide and support the seller throughout the sale process.
- By maintaining a standard of excellence, we can provide Keller Williams customers with the best real estate experience possible.
- We have a wealth of regional real estate listings available on our website at <http://www.kw.com>

A Unique Opportunity

- Participating in this program allows you to support those whom you appreciate and it recognizes those who serve our community.
- Studies have shown today's employees are looking for more than the ordinary benefits. They are looking for benefits that will help them achieve balance between both work and their family lives. Together, we can offer them a benefit that will help them achieve this balance.
- In today's economy, we realize you have to make every dollar count and to add an additional benefit to your already established package can be extremely costly, that is why we are bringing you this offer.
- This unique benefit can be added to your already established benefits package to both full and part time employees at ***no cost to you***. We will do the work for you. We provide the information and assistance to your employees.
- Let us partner together to help them achieve the "American Dream" of homeownership.

How the Program Works

- Our staff will assist any and every employee who is interested in buying or selling their home.
- Home buyer education is the first step toward owning your own home and building equity in your future. Our staff will assist employees through on-site workshops and seminars, one on one consultations, on-site closings, discounts towards closings, and free reports and information.
- If employees decide to use our preferred affiliates they will be eligible to receive up to \$1000 in discounts, but they are under no obligation to use our affiliates. We encourage them to shop around and compare rates and programs from outside sources.
- Buying or selling a home in today's market can be somewhat intimidating and we know it is one of the biggest financial decisions you will make. Together we can offer assistance to those who are making these important decisions.

Range of Services

Because this program is structured to accommodate the needs of our clients we provide a wide range of services.

- **On-site workshops/seminars:** These workshops/seminars are designed to fit the employees schedules and give them a wealth of information about buying, selling, etc. We can conduct these workshops/seminars at your place of business or in a centrally located venue.
- **One on One consultations:** Anyone interested in meeting with us can call to schedule an appointment. These consultations can be done on-site, in our office, or even over the phone. We are available after hours for those consultations in order to be flexible for your employees. They cover any and all topics related to real estate and financing.
- **Pre-approval/Application:** We are capable of referring our clients to or preferred lenders who can provide assistance with pre-approval or to answer any questions by phone, email, or by appointment.
- **Free reports and information:** Any employees interested in our free reports or other pertinent information can call or email us and we can email or mail directly to the individual any of this information.
