

Marc:

Just wanted to send a quick note to thank you for what Susan and I previously thought was impossible – you sold our condo. After 4 years on the market and multiple realtors, we hadn't had a single offer, but you and David put together a great marketing plan and made us both feel completely at ease. Each week we received a progress update via e-mail, and were also in regular contact by telephone. Within 2 short months, not only did we have one offer, but got a second as well! In addition, Marc took the time to help me with some minor repairs prior to closing.

Prior to meeting Marc and David, we lost confidence in the Atlanta realtor community. However, we couldn't be more pleased with your marketing efforts and personal communication with us starting a day one. I'll be recommending the MD Team to all my friends and co-workers and look forward to working with you in the future should we plan to sell again.

Sincerely,

John & Susan Schuman
