RE/MAX Greater Atlanta
1878 Piedmont Road
Atlanta, GA 30324

Dear RE/MAX Greater Atlanta:

This letter is in regards to the superior customer service we received while shopping for a home through one of your agents, Marc Takacs. We were very impressed with the agent's knowledge of the Greater Atlanta area, and the professional courtesy he extended to us. Although my wife and I are just out of College, we were treated with respect and a professional attitude at all times. My wife and I both felt that he went the extra mile in securing our Condo in a short period, while ensuring that we were getting the best deal. Marc has always been only a telephone call away, and even went out of his way to help us with our furniture delivery while we were out of town.

We both agree that Marc Takacs is an excellent Realtor, and would highly recommend him to anyone looking to buy a first home. It is comforting to know that when it comes time to find a second home we know a Realtor and an Agency we can trust.

Extremcly Satisfied Home Buyers,

Brad and Emily Walling
