

“Free Fuel”

Discover How to

Breakthrough

For Personal &

Business Victory!!

As an Author, Coach and Teacher, Kit spreads his energy-filled message of power, potential and positive change to the corporate world, the schools and his community. Having worked with Fortune 500 companies and several Non-Profit organizations, Kit has devoted himself to teaching, coaching and training for many years, speaking to thousands of people around the country as well as overseas. Whether it be working with executives, athletes, inmates or youth, energy and attitude are always part of growth, recovery and victory. Kit teaches principles and techniques that help people to increase their personal energy and develop an attitude for success.
