APPLICATION FOR RESIDENCE HOMESTEAD EXEMPTION INSTRUCTIONS

General Residence Homestead Exemptions. You may only apply for residence homestead exemptions on one property in a tax year. Fill out the other side of this application completely. To qualify for homestead exemptions, you must own and reside in your home on January 1 of the tax year. If you temporarily move away from your home, you still can qualify for an exemption if you don't establish another principal residence and you intend to return in a period of less than two (2) years. Homeowners in military service or in a facility providing services related to health, infirmity or aging may exceed the two year period. If you have trouble filling out this form, call the appraisal district. A list of taxing units and the exemptions they offer is listed below or attached to this application.

Age 65 or Older or Disability Exemptions. You may receive age 65 or older or disability homestead exemptions immediately upon qualification for the exemption(s). If you have not provided your birth date on this application, you must apply before the first anniversary of your qualification date to receive the exemption(s) in that tax year. For example, if you turn 65 or are disabled on June 1 of the current year, you have until May 31 of the next year to apply for the current tax year's age 65 or older or disability exemption(s). This special provision only applies to age 65 or older or disability exemptions and not to other exemptions for which you may apply.

Tax Limitations. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Other types of taxing units - county, city or junior college - have the option to grant a tax limitation on homesteads of homeowners who are disabled or 65 years of age or older.

Surviving Spouse Age 55 or Older. *Over 65:* You qualify for an extension of this exemption if (1) you are 55 years of age or older on the date your spouse died and (2) your deceased spouse was receiving the age 65 or older exemptions on this residence homestead or would have applied and qualified for the exemption in the year of the spouse's death. You will not receive the school tax limitation for the age 65 or older exemption unless your spouse died on or after December 1, 1987. *Disabled:* You will not qualify for a disability exemption claimed by your deceased spouse. You are not entitled to continue the school tax limitation; however, you will be entitled to continue the local option county, city or junior college limitation.

Filing Deadlines. File this application between January 1 and April 30. You may file a late homestead exemption application if you file it no later than one year after the date taxes become delinquent. See the age 65 or older or disability exemptions section above for more on late filing.

Re-filing. If the chief appraiser grants the exemptions, you do not need to reapply annually. You must reapply, however, if the chief appraiser requires you to do so by sending you a new application asking you to reapply. You must notify the chief appraiser in writing if and when your right to any exemption ends or your qualifications change. You must reapply if you qualify for additional exemptions based on age or disability in the future.
