

My wife and I began looking for our first home late summer 2009. Not being sure what we wanted, we would go house hunting on our own and visit random open houses just to get an idea. At one of the open houses we met Bill Lackey. And from the moment we began talking we knew we found someone special. We exchanged information and he promised some information for us. Within 12 hours he had already sent us the information we had requested. This was huge in our eyes.

Bill always made us feel that we were his most important client - always answering calls and emails whenever we had a question. He went way above and beyond countless times on our behalf. We were brand new to process of purchasing a home and had little knowledge and Bill gladly shared his wealth of knowledge and experience.

Bill never placed any pressure on us to move in a direction we weren't ready to go or try to purchase something that wasn't right for us. He showed us many properties based on our wish list, narrowed down the list, helped us meet the proper people for financial advice, went to bat for us with many details and specifics... and we ended up with our first home being much more than we ever imagined.

I don't know where we would be if we didn't have Bill leading the way. We would most certainly recommend the Broadway and Lackey team to anyone buying or selling a home. Not only will you

(continued on next page)

receive the highest level of professionalism and service you will feel like part of their family when you are done.

When the day comes that we out grow our home (it's going to be a while), I know exactly who I'm going to call when we are ready to sell and find a new home. It is hard to put into words how thankful we are for all of your efforts and care you took with working with Michelle and I. We are forever blessed and thankful to have found such a wonderful family to help us find our new home.

Thank You!

Yours,

Josh and Michelle Lindstedt
