

After multiple moves, throughout Charlotte and across the country, I can say that Barbara Broadway is one of the best. When you work with Barbara you will find her to be extremely knowledgeable, organized and thoughtful (we searched with my 2 boys in tow!).

In addition, you will be able to breathe easy, knowing that Barbara has you covered, taking care of the many details associated with buying or selling a home.

It is my honor to recommend Barbara Broadway, she will make your next real estate adventure smooth and stress free!
