Dianna was a true professional right from the start. She always demonstrated a positive attitude toward getting my property sold, despite a very difficult market. She was always courteous with regard to scheduling showings of my home, and when others in the process of selling a home were not working hard to move things along, Dianna was proactive in trying to get the job done. A pleasure to work with.

I would definitely recommend Dianna to a friend. She went above and beyond her call of duty. She communicated with us at all times and was on top of her emails which was impressive. She worked diligently in trying to help us find a home! She is easy to work with and very knowledgeable! I'm very thankful for having the pleasure of working with someone like her!

Dianna MacLaren was a breath of fresh air for me on my condo dealing. I'm from Kansas and I was really worried about making a deal on a home that is over a thousand miles away. Dianna not only found my condo but I put my trust in her buying this unit "sight unseen". She did not disappoint me. She even helped get my son settled in the place. Dianna is GREAT!

I would not hesitate to recommend Diana to anyone who is looking to buy or sell real estate.

I would like to take this opportunity to recommend buyers to call Dianna MacLaren to represent them as their realtor. When deciding to buy a home one must need to be serious and educated about the market and buying abilities. This is where Ms MacLaren excels above other realtors you may meet. She is very knowledgeable regarding today's market. She will look for homes that you are looking for with your qualifications. She answers phone calls and emails in record time. She answers questions with sincerity and honesty. I am extremely pleased with her work, she is very friendly yet she is very professional. She helped me find the home I was looking for. Dianna was a pleasant surprise! She went above and beyond to explain the difference between short sales and bank-owned/REOs and what I could expect when placing an offer on each. With her knowledge of the Orlando market and the way deals are being done there, I was able to place an offer on a great property and win against several other investors. I highly recommend Dianna to any buyer looking for a deal in the Orlando area.
