

Dear home buyer,

The reason why our guarantee is so affective is because we don't mess around when it comes to locating a home for our clients. Our team implements top of the line home search methods that get our clients into a home in the fastest time possible.

We believe that buying a home should be an enjoyable experience, one that not only gets individuals into a home, but into the property of their dreams. This is about more than real estate. It's about us meeting our clients dreams, desires and needs.

**If we can't find you a home within 14 days, we'll pay for our shortcomings up to \$5000!**

With all that said, our team would appreciate the opportunity to meet with you and share more in depth information on our 14 Day Home Buying Guarantee.

Thank you,

***The Hagemeister Realty Group***
