CLEAN OUT YOUR OLD FILES AND SAFELY PITCH IN!

Identity theft is the fastest growing crime in the United States according to the FBI. Approximately 7 million Americans become victims of identity theft each year. Families and members of the community are encouraged to bring personal and confidential documents to Keller Williams Realty where PROSHRED Security will destroy them in one of their mobile shredding trucks while you watch. No need to remove binder covers, binder clips or staples because PROSHRED's industrial shredders will easily shred through them. All shredded documents will be recycled.
