PLEDGE OF SERVICE

As a realtor, I subscribe to a higher code of ethics and standards as dictated by the Lehigh Valley Association of Realtors. You can expect me to obey the fair housing law and the fundamental right of any person to buy and sell real estate based on their credit ability.

As a realtor and the agent representing you, you can always expect me to:

- Act with your best interest in mind.
- Pre-qualify any buyers visiting your home.
- Treat any information you give me as confidential
- Cooperate with area brokers to present, market and sell your home with the least inconvenience to you and your family.
- During open houses, I will treat your personal property, when you hire me, as well as your real property with care and respect.
- I will educate you, as to the best course of action, but I will respect your instructions and be accountable to you.
- I will be doing my best to negotiate all offers presented, so we can achieve the highest net profit for your property, based on a fair market value.
- I will always be loyal to you.
- For any matters beyond my license and experience, I will be honest and urge you to seek legal counsel.
- Be honest to you and communicate on a regular basis.

If you agreeable to everything above, please give me a call. It would be my honor and privilege to represent you in the successful sale of your property.
