Keller Williams Associates Make Strong Showing on NAHREP 250

Twenty-five representatives on list of America's top-producing Latino real estate agents

AUSTIN, TEXAS (June 20, 2014) — America's largest and fastest-growing real estate franchise is represented by 25 associates on the National Association of Hispanic Real Estate Professionals' annual list of the top-producing real estate agents in the United States, including three in the Top 10. Keller Williams Realty's strong showing on the 2014 NAHREP 250 represents a 56 percent increase over the number of Keller Williams associates on last year's list.

"We're incredibly honored to be the company of choice for so many of the outstanding agents on the NAHREP 250," Keller Williams CEO Mark Willis said. "As an education-based, technology-driven company, we're focused on providing our associates with the resources they need to grow their businesses and deliver exceptional client service."

The agents on the NAHREP 250 handled roughly 18,600 transactions and more than \$4.2 billion in sales. NAHREP will recognize the top 250 Latino agents during the NAHREP 2014 National Convention and Latin Music Festival in Los Angeles on Oct. 14. Willis will be among the featured speakers at the conference.

"The NAHREP 250 includes some of the most dynamic, innovative business owners in America," Willis said. We're thrilled that a growing number of these agents are choosing Keller Williams to help support them in pursuit of their business goals."
