Dave Sachko, Associate

### **Top Whitby Realtor, Dave Sachko, Joins Keller Williams**

Keller Williams Realty takes great pride in welcoming Dave Sachko.

With over 14 years of real estate service in Durham Region and the Greater Toronto Area, Dave and his team will bring not only strong professional networks, but also a keen knowledge of the market in the region.

Dave has consistently ranked among the top Realtors on the Toronto Real Estate Board, and has been recognized year after year with multiple sales achievement awards. With two thirds of his business from past clients and their referrals, Dave attributes much of his success to his ongoing service systems. As a leader in the industry, Dave enjoys the respect and recognition of his peers and colleagues. A leader in internet marketing, Dave has shared innovative and creative systems for lead generation through his popular training sessions.

Growing up in Whitby Ontario, Dave has always been active in local sports, both playing rep hockey and lacrosse, including participation on two winning Minto Cup Championship teams. When his playing years were finished he gave back to the sports community by coaching minor league teams. Dave brings his years of dedication, team-building, and leadership skills to his real estate business, and this is most clearly evident in the formation of a strong team of professionals, including Tara Baylis, Sylvia Smith, and full-time marketing coordinator, Larry Harrison.

In keeping with the Keller Williams spirit of giving, Dave looks forward to continue giving back to his community. He is excited about the opportunity to grow his business to the next level by applying Keller Williams's business models.

Known for his dynamic style and use of cutting edge technical tools, Dave is a welcome addition to the growing Keller Williams organization.

Dave may be reached at: (905) 430-2320
