Brian Persaud joins Keller Williams Advantage Realty

Toronto, ON September, 2011 - Brian Persaud a real estate sales professional in Toronto, has joined the Keller Williams Advantage Realty.

“From E-Edge, to the 8x8 to the million real estate agent energy management plan....Keller Williams culture, training and systems are tough to beat,” says Brian Persaud.

Brian is a Toronto based real estate investor, analyst, TV show host, producer and author of the forthcoming book Profitable Investing in Condominiums: Strategies, Tips and Expert Advice for the Canadian Real Estate Investor. After his initial success, Brian began tackling bigger and bigger projects, buying multiple properties at the same time, with forays into subdivision and resort development. This was just the beginning: he quit his day job as a collections agent for Otis Elevators Canada. From humble beginnings, Brian has developed a strong specialty in real estate investment management. From managing single family residential homes to multi-unit apartment buildings, to high-rise and subdivision development, Brian uses a disciplined due diligence process, targets under-valued and under-performing assets in carefully selected markets across Toronto to grow his real estate investment portfolio

"We are all very excited to be in business with such innovative and entrepreneurial talent like Brian" stated Team Leader, Dan Corcoran at KWA. "Brian is just another example of how Keller Williams continues to attract leaders by providing the best solutions and support for our agents"

The Keller Williams Advantage Realty Market Centre is located at 1238 Queen Street East, Toronto, ON, opened December 2007 and has 116 associates. The office has Profit Shared \$456,591 since December 2007 when it opened.
