

Business Planning Clinic

Montreal

March 4th, 2014

The MREA Business Planning Clinic is designed to help you and your team implement powerful systems to set up your business for significant success in the next year.

You will learn how to focus your efforts on the key activities that will make a significant difference in your growth. The clinic focuses on the four key business models: *Economic Model, Lead Generation Model, Budget Model and Organizational Model.*

Objectives:

- Align your thinking with that of a Millionaire Real Estate Agent.
- Compare your numbers with the millionaires' numbers – discover how to improve your performance.
- Develop a detailed one-year business plan to guide your lead generation, money management and organizational development.
- Apply the focus to convert your goals to reality.
