

**ALC Clinic
with Holly Prescott - KWU International Master Faculty
Ottawa
December 4 & 5, 2014**

DAY ONE –December 4th, 2014

The ALC Clinic for Market Centre Leadership equips team leaders with valuable tools, systems and strategies for leading an effective Associate Leadership Council (ALC). Additionally, it provides operating principals and market centre administrators with the systems and tools to support a highly functioning ALC. This course will help market centre leadership teams achieve their market centre's goals with an empowered ALC

Audience:

- Operating Principals
- Team Leaders
- Market Centre Administrators
- Productivity Coaches

Objectives:

- Learn to construct a powerful ALC
- Learn how to prepare your ALC to lead committees
- Examine the systems and structures of great ALC meetings
- Develop facilitation skills through an action-driven strategy
- Prepare for your leadership role in the ALC Clinic for ALCs
- Acquire resources for building a great ALC team

DAY TWO- December 5th, 2014

In this results oriented course, Associate Leadership Council (ALC) members work with their leadership teams to construct strategies that will lead to their success as business people and as leaders in their market centre. This course is designed to help ALC members achieve their personal and professional goals through the unique leadership opportunity of ALC membership.

Audience:

- Operating Principals
- Team Leaders
- Market Centre Administrators
- Productivity Coaches
- ALC Members
- Potential ALC Members

Objectives:

- Delve into your opportunities to achieve through membership on the ALC
- Experience actions that can help you grow your passive income, increase your productivity, accurately project your net income, and create a company you would never want to leave
