Keller Williams Kitchener Welcomes Dave Roach & Tim Thiessen

Kitchener, ON January, 2012 – - Dave Roach & Tim Thiessen, two of Kitchener's top-producing real estate professionals, joined Keller Williams Golden Triangle Realty.

"We are honored to be in business with talented professionals such as Dave Roach and Tim Thiessen" says John Furber, Canadian Director of Keller Williams Realty. "This company succeeds through its people, and having Dave & Tim on our team is very exciting".

This powerful team, previously with Re/Max, are highly respected with many years of success behind them. With Dave at the helm, the team has done 60-80 transactions steadily in the recent years.

"Dave and Tim are great examples of agents who are committed to growing both professionally and personally" says Furber "We are very proud of the leadership they bring to our company".

"We are very impressed with level of contribution of our fellow associates at Keller Williams. We found the environment of learning and growing was a perfect match for our value system" says Dave Roach, "We are always looking for ways to serve our clients at the highest level and Keller Williams will provide us with the tools to do so".

Tim Theissen says, "Building a team and making it successful needs a lot of systems and proven models. This company has it all. And the concept of profit sharing is just terrific!"

"Having respected Dave as a top producer and a mega agent at a competing brokerage for many years, it is a pleasure to have him and Tim on board!" says Tony Olajide, Team Leader at Keller Williams Golden Triangle Realty"

Keller Williams Golden Triangle Realty is located at 871 Victoria Street North #9, Kitchener, ON, and currently has 105 associates.
