

## How to find YOUR house, in YOUR neighborhood, matching YOUR criteria:

1. From KWAdvisors.com, click the "Search For Homes" link. Once you arrive at the first page of the Home Search page, either start your search by choosing your specific search parameters and clicking **Go To Search Results** (bottom arrow), or click "Login" (top arrow).

2. Clicking "Login" brings you to the page to the left. Existing users can login at the left of the screen. New Users will need to create a profile. The asterisked information is required to create a Search Saver account. When finished, click "Submit" (located at either arrow). Note: We will not share your private information (including e-mail address) with anyone.

3. You've now reached the Welcome page! NOTE: Please make sure to visit your e-mail inbox to authenticate your email address to ACTIVATE your account. Features will NOT work properly until Email Authentication has taken place. A few features listed below:

- Save searches and receive e-mail notifications when new listings match
- Choose notifications for just new listings or new and updated listings.
- Save listings to your favorites folder for easy future reference

4. Now that you're logged in, you can now enjoy all the features of Search Saver. You have the ability to search by **Area, County/City, Address/Zip, School District, or Subdivision**, as well as the locations listed in the Area focus box. You can also search by **property type, price range, property features, style, acreage, amenities and more!!** Once you're here, you'll never want to leave!!!
