Keller Williams Realty Group in Royersford recently held their First Annual Food Drive on Saturday, November 10th. With the help of their local food stores – Acme of Limerick, Redners, and Super Fresh - over 5,000 bags were donated which were then dispersed to all of the agents in the office and distributed to local communities.

O'Brien's Moving and Storage generously donated the collection truck and driver to deliver the food to the Berks County Food Bank. The Berks County Food Bank distributes food donations throughout Montgomery County.

Keller Williams Realty Group agents Jane Iaderosa, Lisa Faulkner and Market Center Care Specialist Gina Stango headed up this event which raised 2,182 Pounds of Food. “We couldn't have asked for a better collection of food. We never imagined filling an entire truck load. We are all looking forward to exceeding our collection next year” said Gina Stango.

Keller Williams Realty Group loves giving back to the communities in which they do their business. They would like to take this opportunity to thank everyone who has donated their time and resources to help make their first food drive a great success.
