Staged by Kerry Roth
Décor Staging

SOLD! after 14 competitive offers and way over asking price!

Sold for \$1,076,000

Benefits to in-home staging: When buyer's see a home that is beautifully staged, it's warm and inviting and they perceive a much stronger value to the property which often translates into a higher selling price.

Selling your home is really about selling a lifestyle. When people come into your home you want them to see and feel living there.

"Home Staging - It used to be an extra, now its essential" and why we stage our homes. Our commitment is to get our clients top dollar for their home, increase the value in the neighborhood while making the overall experience a breeze.
