13. LEAD-BASED PAINT: Was any part of the residential dwelling on Property constructed prior to 1978?

Yes Don't Know No (If no, proceed to paragraph 14.)

If you have answered "Yes" above, Seller does hereby provide the following warning and shall disclose the following information regarding lead-based paint and lead-based paint hazards.

PURCHASE AND SALE TRANSACTION LEAD WARNING STATEMENT.

Every purchaser of any interest in residential property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

The lead-based paint disclosures must occur prior to Seller's acceptance of Buyer's written offer to purchase; if the potential Buyer makes the offer to purchase before the requisite disclosures are provided to Buyer, Seller can not accept the offer until: 1) the disclosure is made; and 2) the potential Buyer has had an opportunity to review the information and consider whether to amend the offer.

14. **AGRICULTURAL DISCLOSURE:** Is Property within, partially within, or adjacent to any property zoned or identified on an approved county land use plan as agricultural or forestry use? Yes Don't Know No

It is the policy of this state and this community to conserve, protect, and encourage the development and improvement of farm and forest land for the production of food, fiber, and other products, and also for its natural and environmental value. This notice is to inform prospective property owners or other persons or entities leasing or acquiring an interest in real property that property in which they are about to acquire an interest lies within, partially within, or adjacent to an area zoned, used, or identified for farm and forest activities and that farm and forest activities occur in the area. Such farm and forest activities may include intensive operations that cause discomfort and inconveniences that involve, but are not limited to, noises, odors, fumes, dust, smoke, insects, operations of machinery during any 24 hour period, storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides. One or more of these inconveniences may occur as the result of farm or forest activities which are in conformance with existing laws and regulations and accepted customs and standards.
