

Professional Stagers make all the difference!

Stage Organize Simplify (SOS) is a full-service home staging, professional organizing and redesign company that professionals know and trust.

Occupied Home Staging:

With a minimal budget, SOS can rejuvenate the look of your home and ensure it appeals to the most buyers possible. We'll work with you to reorganize your existing furniture into a layout that maximizes the flow of your space and is pleasing to the eye. SOS will update the design of your space using accessories we find inside your home.

Vacant Home Staging:

We provide a full Furniture & Décor Package for the key rooms that are proven to sell a home: Master Bedroom, all Bathrooms, Dining room, Living room/den, home office and Kitchen!

Professional Organizing:

SOS can provide ideas and solutions to organize your items and your space to make them tidy, manageable and clutter-free! We'll help you sort your belongings, make decisions on what to keep/toss/donate and put order into your environment!
