ANNUAL ASSESSMENTS  
CREATION OF CHARGE UPON THE PROPERTY

Section 1. Declarant, for each parcel of property subject hereto owned by it, hereby covenants, and each purchaser of any parcel of the property, whether purchased from Declarant or another, by the acceptance of a deed therefor, shall, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to pay to the Homeowners Association an annual assessment or charge to be fixed, established and collected from time to time as hereinafter provided. Each installment of the annual assessment or charge when due shall become a lien upon the parcel of the property against or on account of the ownership of which such

assessment or charge is made. Each parcel of subject property, except as hereafter mentioned, unless owned by Declarant, is hereby made subject to a continuing lien to secure the payment of each installment of such assessment or charge when due.

Such charge shall be in an amount to be fixed from year to year by the Homeowners Association. The annual assessment shall be \$100.00 per year until changed by action of the Homeowners Association and shall be no more than \$250.00 per year until such time as control of the Homeowners Association is given to the owners of the various lots in the subdivision by the Declarant.

Section 2. The annual assessment charge for any year shall become due and payable on the first day of January of each year and shall be payable to the Secretary-Treasurer of the Homeowners Association. The purchaser of each lot shall at the time of purchase of his lot pay to the Declarant, as reimbursement as described above, a prorated portion of the annual assessment calculated by multiplying the annual assessment for the year of the purchase by the number of days remaining after the purchase date and then dividing this amount by the number of days in the calendar year. If any assessment is not paid by the 15th day of January of the year in which it is due there shall be added to the assessment a late charge of \$50.00 per month for each month, or fraction of month, the assessment is not paid.

Section 3. Upon the failure of the owner of any parcel of the property to pay any such charge or installment thereof when due, the Homeowners Association shall have the right to collect the amount thereof, plus reasonable attorney's fees and court cost, by an action at law against the owner as for a debt, and may bring suit for the foreclosure of the lien thereof upon said parcel of the property, and bring and maintain such other suits and proceedings at law or in equity as may be available (and such remedies shall be cumulative and not exclusive). Such rights and powers shall continue in the Homeowners Association, and the lien of such charge shall be deemed to run with the land: and the successive owners of each parcel of the property, by the acceptance of deeds therefor shall be deemed personally to assume and agree to pay all such charges as shall become a lien thereon during their ownership thereof.

Section 4. The charges created by this Article and the lien thereof shall be subordinate to the lien of any mortgage or deed of trust now or hereafter placed upon the property or any parcel thereof: provided, however, that such subordination shall apply only to the charges which shall have become payable prior to the sale of such parcel pursuant to a foreclosure of such instrument. Such sale shall not relieve such parcel from liability for charges thereafter becoming due hereunder nor from the lien of any charge or installment thereof thereafter becoming due, and the purchaser at such sale by the acceptance of the deed shall be deemed personally to assume and agree to pay all such charges or installments thereof thereafter becoming due.

Section 5. The following property subject to this Declaration shall be exempted from the charge created by this Article: (a) all streets whether dedicated to any municipal authority, owned by the Homeowners Association, or created by easement; (b) open space while devoted to common use, however owned; (c) all property owned or leased by the Homeowners Association;

(d) all land taken by or sold or granted any public authority for public improvements or uses; (e) all property owned by or leased to a public utility operating under a certificate of convenience and necessity issued by an appropriate State or Federal agency; (f) all other property exempted from taxation by the laws of the State of North Carolina, upon the terms and the extent of such legal exemption; (g) all property owned by the Declarant. In addition, any lot(s) on which is being constructed, or has been constructed, a speculation house, which is owned by a licensed general contractor, shall not be required to pay the charge created by the Article for a period of one year after lot purchase.,

Section 6. The monies collected by virtue of the charges or assessments or the lien created by this Article shall be paid to the Homeowners Association to be used for land use buffers and landscape easements.

Section 7. The Homeowners Association shall not be obligated to spend in any one calendar year all of the sums collected during such year by way of charges, and may carry forward to surplus any balances remaining; nor shall the Association be obliged to apply any such surpluses to the reduction of charges in the succeeding year, but may carry forward from year to year such surplus as the Board of Directors in their absolute discretion may determine to be desirable for the greater financial security of the Association and the effectuation of its purposes.

Section 8. If at any time the monies collected by virtue of the charges or assessments or the lien created by this Article shall not be sufficient to meet expenditures which the Homeowners Association shall deem necessary in the furtherance of the purposes of the Association, the Homeowners Association shall have authority in its absolute discretion to borrow money in anticipation of revenue upon such terms and security and for such periods not exceeding one year as it may determine, and in fixing the charge for succeeding year the Homeowners Association shall have the power to include such sums as may be necessary to provide for the repayment of such advance with interest.

Section 9. The provisions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Homeowners Association or the owner of any land included in the property, their respective legal representative, heirs, successors, and assigns: and failure by the Homeowners Association or any owners to enforce any restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter to the same breach or as to one occurring prior or subsequent thereto.

Section 10. Neither Homeowners Association nor K & L Properties shall be liable in any way for failure or omission to take action of any kind for the enforcement of any restriction or violation thereof.

III.  
TERM AND AMENDMENTS

Section 1. Term. All of the restrictions set forth or provided for in this Declaration (or any supplementary Declaration) shall be deemed covenants running with the land, and any and every conveyance of any part of the property shall be absolutely subject to the said restrictions whether or not it shall be so expressed in the deed or other conveyance thereof. The said restrictions shall continue with full force and effect against both the property and the owner thereof, and all persons claiming under them, unless amended as hereinafter provided, until January 1, 2030, after which time said restrictions shall be automatically extended for successive periods of ten (10) years unless not less than two (2) months prior to January 1, 2030, or not less than two (2) months prior to the expiration of any successive ten (10) year period thereafter, a written agreement shall be recorded in the Office of the Register of Deeds of Person County, by the terms of which any of said restrictions may be changed, modified, or extinguished in whole or in part as to all of the property or such part thereon as may be described in the said agreement, in the manner and to the extent set forth in said agreement, which shall be duly executed and acknowledged by the Homeowners Association, and by the then owners of record or more than one-half in area of the premises therein described which are then subject to this Declaration and subject to the payment of the charges created by Article II hereof. In the event that any such written agreement of change or modification be duly executed and recorded, the original restrictions as therein modified shall continue in force for successive period of ten (10) years each unless and until further changed, modified, or extinguished in the manner herein provided. Such agreement when recorded shall be effective as of January 1, 2030, or as of the end of the succeeding ten (10) year period during which said agreement shall be recorded.

Section 2. Amendment by Declarant.
