ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the property, hereby covenants, and the owner of any lot by acceptance of a deed therefor, whether or not it shall be expressed in such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected from time to time as hereinafter provided, and (3) annual or special parcel assessments or charges which shall be established and collected as provided herein and in Supplementary Declarations recorded pursuant hereto. The annual, special and parcel assessments, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The annual and special assessments, together with interest thereon, costs of collection thereof and reasonable attorneys fees, as herein provided, shall be a charge on the land and shall be a continuing lien upon the property upon which each such assessment is made.

Section 2. Purpose of Assessments.

(a) Annual Assessments. The annual assessment levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the properties and, in particular, for the improvement and maintenance of the homes situated upon

FILE

the properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area. Beginning January 1 following the year of the conveyance of the first lot to an owner, the annual assessment shall be Three Hundred Seventy Five and no/100 Dollars (\$375.00) per residential lot. However, the assessments for all lots owned by the Declarant under Article IV shall be assessed separately and shall be exempt from annual assessment unless first conveyed to a subsequent owner without regard to assessments imposed against other lots, residential units or land.

(b) Special Maintenance Assessments. Special assessments may be imposed by the Board of Directors upon any Single-Family Residential lot or other lot for the purpose of maintaining the exterior appearance thereof if the owner shall have failed or refused to do so, including but not limited to mowing and cleaning of unsightly brush and debris, painting, repairing, replacing and caring for roofs, gutters, downspouts, and exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements necessary to keep the owner's property from deteriorating or becoming unsightly. For the purpose solely of performing the exterior maintenance authorized by this paragraph, representatives of the Association and its duly authorized agents or employees shall have the right, after reasonable notice to the owner, to enter upon any lot, unit or other property at reasonable hours on any day except Sunday.

(c) Special Assessments for Capital Improvements. In addition to the foregoing, the Association may levy in any assessment year uniform special assessment against lots, units and acreage, by category, applicable to that year and not more than the next two succeeding years, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal

FILE

property related thereto, providing that any such assessment shall have the assent of the Class B member and be approved by two-thirds (2/3) vote of Class A and Class B members present and voting in person or by proxy at a regular or special membership meeting.

Section 3. Maximum Increase of Assessment.

(a) From and after January 1, 2003, the annual assessment may be increased each year by not more than ten (10%) percent of the maximum annual assessment for the previous year without a vote of the membership in conformance with the rise, of any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) between the months of July during the two immediately preceding calendar years.

(b) From and after January 1 of the year immediately following the conveyance of the first lot by Declarant to an owner, the annual assessment may be increased above that established by the Consumer Price Index by a vote of members provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members voting in person or by proxy at a meeting duly called for this purpose, written notice shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum basis of assessments undertaken as incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Uniform Rate of Assessment.

The amount and time of payment of the regular assessment shall be determined by the Board of the Association pursuant to the Articles of

FILE

Incorporation and ByLaws of the Association after giving due consideration to the current maintenance costs and needs of the Association. Written notice of the amount of an assessment, regular or special, shall be sent to every owner at least thirty (30) days in advance of the due date and the due date for payment of any assessment shall be set forth in said notice, and may be collected on a monthly basis.

Section 5. Quorum for any Action Authorized Under Sections 2, 3 and 4. At the first meeting called, as provided in Sections 2, 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty (60) percent of all votes of Class A and B membership shall constitute a quorum. Written notice of any meeting called for the purpose of taking any action authorized under Sections 2, 3 and 4 shall be sent to all members no less than fifteen (15) days or more than sixty (60) days in advance of said meeting. Said notice shall be given to the members by mailing a copy of such notice, postage prepaid, to each member entitled to vote thereat, addressed to the member's address last appearing on the books of the Association or supplied by such member to the Association for purpose of such notice. Such notice shall specify the place, date and hour of the meeting, and in the case of a special meeting, the purpose of the meeting. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum, at any such subsequent meeting, shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Certificate of Payment. The Association shall, upon demand, furnish to any owners liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether the regular and special assessments on a specified parcel or Living Unit have

FILE

been paid and the amount of the delinquency, if any. A reasonable charge may be made by the Board of the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten (10%) percent per annum, and the Association may bring an action at law against the owner personally obligated to pay same, or foreclose the lien against the property, and interest, costs and reasonable attorneys fees of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his parcel or Living Unit or other property.

Section 8. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any lot or Living Unit or land shall not affect the assessment lien. However, the sale or transfer of any lot or Living Unit which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments therefor which became due prior to such sale or transfer. No sale or transfer shall relieve such lot or Living Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

FILE

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the common area; and
- (c) all lots or Living Units owned by Declarant.

However, no land, lot, Living Unit shall be exempt from said assessments once conveyed from Declarant to a subsequent owner.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. The Architectural Review Board. An Architectural Review Board consisting of three (3) or more persons shall be appointed by the Class B members. At such time as the Class B membership shall cease to exist, the Board shall be appointed by the Board of Directors of the Summerfield East of Blue Springs Homeowners Association, Inc.

Section 2. Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the properties and of the Single-Family residences and improvements constructed thereon in such a manner so as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography.

Section 3. Conditions. No improvements, alterations, repairs, excavations, changes in grade or other work which in any way alters the exterior of any property or the improvements located thereon from its natural or improved state existing on the date such property was first conveyed in fee by the developer to an owner shall be made or done without the prior approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. No building, fence, wall, residence or other structure shall be commenced, erected, maintained, improved, altered, made or done without the prior written approval of the Architectural Review

FILE

Board.

Section 4. Procedures. All approvals and consents of developer or the Architectural Review Board must be in writing and oral approvals or consents shall be of no force or effect. In the event developer or the Architectural Review Board, as applicable, fails to approve, modify, or disapprove in writing an application within thirty (30) days after complete plans and specifications in writing have been submitted to it, in accordance with any procedures adopted at any time or from time to time by developer or the Architectural Review Board, approval will be deemed granted. The applicant may appeal an adverse Architectural Review Board decision to the Board of Directors of the Association, which may reverse or modify such decision by a two-thirds (2/3) vote of such Board of Directors. No appeal may be taken from a decision of developer. Once a set of plans and specifications have been approved by developer, no changes may be made to the exterior of the building during construction until the written approval from the developer is obtained in accordance with the procedures of this Section 4. Developer may, under special situations and circumstances, allow variances or waivers of the requirements or terms set forth in this Declaration, and any variance or waiver granted shall not constitute a waiver of such requirement or term in any other situations or under any other circumstances. Developer or the Architectural Review Board may reject any plans and specifications, with or without citing specifics, for any of the following reasons, among others:

- (a) insufficient information to adequately evaluate the design, intent, or extent of the subject of such plans and specifications; or
- (b) poor overall design quality; or
- (c) incompatible design elements; or

FILE

- (d) inappropriate design concept or design treatment; or
- (e) a design or concept that violates any provision of this Declaration or that otherwise has an adverse effect on the property or any owners.

By its approval of any plans and specifications, developer or the Architectural Review Board shall not be deemed to have approved the same for engineering design, or for compliance with zoning and building ordinances, and by approving any such plans and specifications, neither developer nor the Architectural Review Board nor the Association, nor their officers, directors, members or other agents or representatives, assumes any liability or responsibility therefor, or for any defects in any structure constructed from such plans and specifications. Approval of any plans and specifications by developer or the Architectural Review Board shall not constitute a representation or warranty that any such plans or specifications comply with applicable governmental ordinances and regulations, including, but not limited to, zoning ordinances and building codes. Any person or entity submitting any such plans and specifications shall be responsible for, and shall comply with, applicable governmental ordinances and regulations including, but not limited to, zoning ordinances and building codes, in addition to complying with this Declaration and complying with any decisions made pursuant hereto by developer, the Architectural Review Board, or the Board of Directors of the Association. Use restrictions set forth in this Declaration and decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association may be more restrictive than applicable zoning ordinances and building codes. In any case in which use restrictions set forth in this Declaration or decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association are at variance with any zoning ordinances or building codes, the more restrictive

FILE

requirement shall govern. Developer, its representatives, or any authorized officer or director of the Association, or any member of the Architectural Review Board, may at any reasonable time enter, without being deemed guilty of trespass, upon any parcel or Living Unit, after reasonable notice to the owner for the purpose of inspecting improvements, constructed or being constructed on such lot or Living Unit to ascertain that such improvements have been, or are being, built in compliance with plans and specifications approved by developer or the Architectural Review Board or the Board of Directors of the Association and in accordance in all respects with this Declaration.

Section 5. Notice of Violation. In the event of non-compliance with the provisions of this Article, the Architectural Review Board may cause to be placed of record against the property in non-compliance, a notice of violation. A minimum fee of \$75.00 shall be levied by the Association against the property if such notice is filed. Such fee, together with attorneys fees, legal and other costs, reasonably expended by the Association to bring the property into compliance, shall be added to and shall become part of the property assessment and may be enforced as a lien against the property.

Section 6. Rules and Regulations. The Architectural Review Board may from time to time adopt and promulgate such rules and regulations regarding the form and content of the plans and specifications to be submitted for approval, and may publish or record such statements of policy, standards, guidelines, or establish such criteria relative to architectural styles or details, colors, setbacks, materials or other matters relative to the architectural control and protection of the environment, as it may consider necessary or appropriate. No such rules, regulations, criteria or the like shall be construed as a waiver of the provisions of this Article or any other provision or requirement of law or of this Declaration. The decisions of the Architectural Review Board shall

FILE

be final, except that any member who is aggrieved by any action or forbearance from action by the Board may appeal the decision of the Architectural Review Board to the Board of Directors and, upon the request of such member, shall be entitled to a hearing before the Board, which, upon two-thirds (2/3) vote, may reverse or modify the Board's action.

ARTICLE VIII

USE RESTRICTIONS

Section 1. Use of Land. No lot or parcel may be improved, used, or occupied other than as a Single-Family residential unit in accordance with the SF-7, Single Family and PRO Planned Residential Overlay District and the preliminary and final site approved for the property by the City of Blue Springs. An exception to this policy to permit businesses allowed under the Home Occupation Ordinance of the City of Blue Springs may be approved upon written request and approval by the Declarant or the Homes Association after it is created.

Section 3. Incomplete Structures. No building shall be permitted to stand with its exterior in an unfinished condition for longer than six (6) months after commencement of construction. In the event of fire, windstorm, or other damage, no building shall be permitted to remain in a damaged condition longer than three (3) months. Section 4. Easements.

(a) Utility Easements. Easements for installation and maintenance of utilities and drainage facilities are and will be reserved and granted by developer as shown on the recorded plat of the property. Developer may also grant such easements for installation and maintenance of utilities and drainage facilities over, across and under common areas by document separate from the recorded plat for the property at any time. The easement area of each parcel and all improvements in it shall be maintained continuously by the Association except for those improvements for which a public authority or utility company is responsible. Water, gas, electricity, telephone and other utilities shall be located underground on each residential lot and other tracts of land, except perimeter lots and tracts.

(b) Landscape Easements and Entry Monumentation Easements for the installation and maintenance of landscape plantings, entry monumentation, visual screening, berms, and the like are and will be dedicated, created, granted, and reserved by developer as more particularly set forth on the recorded plat(s) of the property (therein and herein referred to as "Landscape Easements"). Developer may also grant such landscape easements over, across and under common areas by document separate from the recorded plat for the property at any time. Such landscape easements shall include the right of ingress and egress for construction and maintenance purposes. No owner shall, within these landscape easements, erect, install, or maintain any structure, fence, or other improvement. The area within any such landscape easements, including entrance areas and entrance monumentation shall be maintained, replaced, and cared for by the Association.

(c) Landscape Improvements. The Declarant hereby reserves the right to require certain plantings and landscaping to comply with any applicable City of Blue Springs ordinances or codes for residential structure to include plantings of trees and/or bushes as required by City ordinance or guidelines propounded by the Declarant with the Board of Directors.

Section 5. Motorcycles. No motorcycles, motorbikes, motor scooters or other similar

FILE

vehicles shall be operated in or on the property except for the sole purpose of transportation directly from a residential unit in the property to a point outside the property or directly from a point outside the property to a residential unit in the property.

Section 6. Nuisances. No noxious or offensive activity shall be carried on upon any portion of the property, nor shall anything be done thereon that may be or become a nuisance or annoyance to the neighborhood nor shall any parcel or Living Unit be used in any way for any purpose that might endanger the health or safety of any owner or resident of a building.

Section 7. Utilities. Water, gas, lights, telephone and other utilities shall be located underground on each parcel.

Section 8. New Construction. All buildings permitted on parcels shall be initially new construction. No building or structure shall be moved onto any parcel.

Section 9. Animals Prohibited. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any parcels, except that dogs, cats or other common household pets not to exceed two (2) in number may be kept inside the building on each parcel (not outside of the building) provided they are not kept, bred, or maintained for any commercial purpose. In no event shall such animals be kept on any parcel if they unreasonably disturb the owner or residents of any other parcel. All animals will be confined inside the building on the owner's parcel, except when on a leash or when in direct and constant control of the owner thereof or a member of his family. The construction, placement, or erection on any parcel of any structure, enclosure, cage, dog pen, dog run, or other device used to confine or house dogs, cats or other animals is prohibited.

Section 10. Signs. No advertising signs (except one of not more than five (5) square feet "For Sale" or "For Lease" sign per parcel), billboards, unsightly objects, or nuisances may be

FILE

erected, placed, or permitted to remain on any parcel, provided however, that the foregoing covenants shall not apply to signs and billboards of the developer during the construction and sale period.

Section 11. Yards. No permanent or temporary structures, out buildings, apparatus, trash cans or storage piles shall be kept in the yard of any residence. No clothes lines or outbuildings shall be permitted and no trash burning shall be permitted on any lot.

Section 12. Lawns and Landscaping. Lawn areas of parcels and lots shall be fully sodded to all outside front and side boundary lines and to within 25 feet of the building on all rear yards and to the curb of all streets adjacent to the front, rear, or sides of the parcel, and otherwise landscaped in accordance with the landscape plan for the property approved by the City.

Section 13. Antennas Prohibited. No exterior television or radio antennas of any sort shall be placed, allowed, or maintained on any portion of any building or parcel. However, applications for satellite dishes measuring less than one meter (39.6 inches) in diameter shall be considered for approval on all parcels where the property is within the exclusive ownership and control of the antenna user. The application shall specify the specific location and specific size of the unit. Masts for use as antennas with respect to installation of dishes over 12 feet in height are prohibited. Dishes are suggested to be black or gray in color. In the event the resident or installation company demonstrates these guidelines restrict reception, the Architectural Review Board will promptly work with the applicant to arrive at a workable solution for the location of antenna or dish.

Section 14. Storage Tanks. No tank for the storage of fuel may be maintained on any parcel above or below the surface of the ground except one five (5) gallon propane tank per each residential unit in a building for the sole purpose of operating a barbecue grill.

reservations, easements, liens, and charges set forth in this Declaration shall be as herein provided or otherwise by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenants, conditions, restrictions, reservations, easements, liens, and charges, either to restrain violation or to recover damages or both, and against the land to enforce any lien or charge created by this Declaration. Except as otherwise provided in this Declaration, any such action may be initiated by developer, any affected or aggrieved owner, or the Association created and referred to herein. Failure by developer, any owner, or the Association to enforce any covenants, conditions, restrictions, reservations, easements, liens, or charges herein contained, or any delay in such enforcement, shall in no event be deemed a waiver of the right to do so thereafter. Developer reserves the right, in developer's sole discretion, to assign or delegate any rights or obligations of developer under this Declaration.

Section 2. Term and Amendment. The provisions of this Declaration shall run with and bind the property for a term of twenty (20) years, commencing on the date hereof, after which period the provisions of this Declaration shall be automatically extended for successive terms of ten (10) years. The provisions of this Declaration may be amended during the initial twenty (20) year period by an instrument signed by owners of not less than sixty (60%) percent of all votes which may be cast by members, and following such initial twenty (20) year period, by an instrument signed by owners of not less than two-thirds (2/3) of all lots. Any such amendment shall be effective upon the date that such instrument shall be properly executed, acknowledged, and filed of record in the office of the Recorder of Deeds for Jackson County, Missouri.

FILE

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the property, hereby covenants, and the owner of any lot by acceptance of a deed therefor, whether or not it shall be expressed in such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected from time to time as hereinafter provided, and (3) annual or special parcel assessments or charges which shall be established and collected as provided herein and in Supplementary Declarations recorded pursuant hereto. The annual, special and parcel assessments, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The annual and special assessments, together with interest thereon, costs of collection thereof and reasonable attorneys fees, as herein provided, shall be a charge on the land and shall be a continuing lien upon the property upon which each such assessment is made.

Section 2. Purpose of Assessments.

(a) Annual Assessments. The annual assessment levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the properties and, in particular, for the improvement and maintenance of the homes situated upon

FILE

the properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area. Beginning January 1 following the year of the conveyance of the first lot to an owner, the annual assessment shall be Three Hundred Seventy Five and no/100 Dollars (\$375.00) per residential lot. However, the assessments for all lots owned by the Declarant under Article IV shall be assessed separately and shall be exempt from annual assessment unless first conveyed to a subsequent owner without regard to assessments imposed against other lots, residential units or land.

(b) Special Maintenance Assessments. Special assessments may be imposed by the Board of Directors upon any Single-Family Residential lot or other lot for the purpose of maintaining the exterior appearance thereof if the owner shall have failed or refused to do so, including but not limited to mowing and clearing of unsightly brush and debris, painting, repairing, replacing and caring for roofs, gutters, downspouts, and exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements necessary to keep the owner's property from deteriorating or becoming unsightly. For the purpose solely of performing the exterior maintenance authorized by this paragraph, representatives of the Association and its duly authorized agents or employees shall have the right, after reasonable notice to the owner, to enter upon any lot, unit or other property at reasonable hours on any day except Sunday.

(c) Special Assessments for Capital Improvements. In addition to the foregoing, the Association may levy in any assessment year uniform special assessment against lots, units and acreage, by category, applicable to that year and not more than the next two succeeding years, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal

FILE

property related thereto, providing that any such assessment shall have the assent of the Class B member and be approved by two-thirds (2/3) vote of Class A and Class B members present and voting in person or by proxy at a regular or special membership meeting.

Section 3. Maximum Increase of Assessment.

(a) From and after January 1, 2003, the annual assessment may be increased each year by not more than ten (10%) percent of the maximum annual assessment for the previous year without a vote of the membership in conformance with the rise, of any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) between the months of July during the two immediately preceding calendar years.

(b) From and after January 1 of the year immediately following the conveyance of the first lot by Declarant to an owner, the annual assessment may be increased above that established by the Consumer Price Index by a vote of members provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members voting in person or by proxy at a meeting duly called for this purpose, written notice shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum basis of assessments undertaken as incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Uniform Rate of Assessment

The amount and time of payment of the regular assessment shall be determined by the Board of the Association pursuant to the Articles of

FILE

Incorporation and ByLaws of the Association after giving due consideration to the current maintenance costs and needs of the Association. Written notice of the amount of an assessment, regular or special, shall be sent to every owner at least thirty (30) days in advance of the due date and the due date for payment of any assessment shall be set forth in said notice, and may be collected on a monthly basis.

Section 5. Quorum for any Action Authorized Under Sections 2, 3 and 4. At the first meeting called, as provided in Sections 2, 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty (60) percent of all votes of Class A and B membership shall constitute a quorum. Written notice of any meeting called for the purpose of taking any action authorized under Sections 2, 3 and 4 shall be sent to all members no less than fifteen (15) days or more than sixty (60) days in advance of said meeting. Said notice shall be given to the members by mailing a copy of such notice, postage prepaid, to each member entitled to vote thereat, addressed to the member's address last appearing on the books of the Association or supplied by such member to the Association for purpose of such notice. Such notice shall specify the place, date and hour of the meeting, and in the case of a special meeting, the purpose of the meeting. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum, at any such subsequent meeting, shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Certificate of Payment. The Association shall, upon demand, furnish to any owners liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether the regular and special assessments on a specified parcel or Living Unit have

FILE

been paid and the amount of the delinquency, if any. A reasonable charge may be made by the Board of the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten (10%) percent per annum, and the Association may bring an action at law against the owner personally obligated to pay same, or foreclose the lien against the property, and interest, costs and reasonable attorneys fees of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his parcel or Living Unit or other property.

Section 8. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any lot or Living Unit or land shall not affect the assessment lien. However, the sale or transfer of any lot or Living Unit which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments therefor which became due prior to such sale or transfer. No sale or transfer shall relieve such lot or Living Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

FILE

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the common area; and
- (c) all lots or Living Units owned by Declarant.

However, no land, lot, Living Unit shall be exempt from said assessments once conveyed from Declarant to a subsequent owner.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. The Architectural Review Board. An Architectural Review Board consisting of three (3) or more persons shall be appointed by the Class B members. At such time as the Class B membership shall cease to exist, the Board shall be appointed by the Board of Directors of the Summerfield East of Blue Springs Homeowners Association, Inc.

Section 2. Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the properties and of the Single-Family residences and improvements constructed thereon in such a manner so as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography.

Section 3. Conditions. No improvements, alterations, repairs, excavations, changes in grade or other work which in any way alters the exterior of any property or the improvements located thereon from its natural or improved state existing on the date such property was first conveyed in fee by the developer to an owner shall be made or done without the prior approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. No building, fence, wall, residence or other structure shall be commenced, erected, maintained, improved, altered, made or done without the prior written approval of the Architectural Review

FILE

Board.

Section 4. Procedures. All approvals and consents of developer or the Architectural Review Board must be in writing and oral approvals or consents shall be of no force or effect. In the event developer or the Architectural Review Board, as applicable, fails to approve, modify, or disapprove in writing an application within thirty (30) days after complete plans and specifications in writing have been submitted to it, in accordance with any procedures adopted at any time or from time to time by developer or the Architectural Review Board, approval will be deemed granted. The applicant may appeal an adverse Architectural Review Board decision to the Board of Directors of the Association, which may reverse or modify such decision by a two-thirds (2/3) vote of such Board of Directors. No appeal may be taken from a decision of developer. Once a set of plans and specifications have been approved by developer, no changes may be made to the exterior of the building during construction until the written approval from the developer is obtained in accordance with the procedures of this Section 4. Developer may, under special situations and circumstances, allow variances or waivers of the requirements or terms set forth in this Declaration, and any variance or waiver granted shall not constitute a waiver of such requirement or term in any other situations or under any other circumstances. Developer or the Architectural Review Board may reject any plans and specifications, with or without citing specifics, for any of the following reasons, among others:

- (a) insufficient information to adequately evaluate the design, intent, or extent of the subject of such plans and specifications; or
- (b) poor overall design quality; or
- (c) incompatible design elements; or

FILE

- (d) inappropriate design concept or design treatment; or
- (e) a design or concept that violates any provision of this Declaration or that otherwise has an adverse effect on the property or any owners.

By its approval of any plans and specifications, developer or the Architectural Review Board shall not be deemed to have approved the same for engineering design, or for compliance with zoning and building ordinances, and by approving any such plans and specifications, neither developer nor the Architectural Review Board nor the Association, nor their officers, directors, members or other agents or representatives, assumes any liability or responsibility therefor, or for any defects in any structure constructed from such plans and specifications. Approval of any plans and specifications by developer or the Architectural Review Board shall not constitute a representation or warranty that any such plans or specifications comply with applicable governmental ordinances and regulations, including, but not limited to, zoning ordinances and building codes. Any person or entity submitting any such plans and specifications shall be responsible for, and shall comply with, applicable governmental ordinances and regulations including, but not limited to, zoning ordinances and building codes, in addition to complying with this Declaration and complying with any decisions made pursuant hereto by developer, the Architectural Review Board, or the Board of Directors of the Association. Use restrictions set forth in this Declaration and decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association may be more restrictive than applicable zoning ordinances and building codes. In any case in which use restrictions set forth in this Declaration or decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association are at variance with any zoning ordinances or building codes, the more restrictive

FILE

requirement shall govern. Developer, its representatives, or any authorized officer or director of the Association, or any member of the Architectural Review Board, may at any reasonable time enter, without being deemed guilty of trespass, upon any parcel or Living Unit, after reasonable notice to the owner for the purpose of inspecting improvements, constructed or being constructed on such lot or Living Unit to ascertain that such improvements have been, or are being, built in compliance with plans and specifications approved by developer or the Architectural Review Board or the Board of Directors of the Association and in accordance in all respects with this Declaration.

Section 5. Notice of Violation. In the event of non-compliance with the provisions of this Article, the Architectural Review Board may cause to be placed of record against the property in non-compliance, a notice of violation. A minimum fee of \$75.00 shall be levied by the Association against the property if such notice is filed. Such fee, together with attorneys fees, legal and other costs, reasonably expended by the Association to bring the property into compliance, shall be added to and shall become part of the property assessment and may be enforced as a lien against the property.

Section 6. Rules and Regulations. The Architectural Review Board may from time to time adopt and promulgate such rules and regulations regarding the form and content of the plans and specifications to be submitted for approval, and may publish or record such statements of policy, standards, guidelines, or establish such criteria relative to architectural styles or details, colors, setbacks, materials or other matters relative to the architectural control and protection of the environment, as it may consider necessary or appropriate. No such rules, regulations, criteria or the like shall be construed as a waiver of the provisions of this Article or any other provision or requirement of law or of this Declaration. The decisions of the Architectural Review Board shall

FILE

be final, except that any member who is aggrieved by any action or forbearance from action by the Board may appeal the decision of the Architectural Review Board to the Board of Directors and, upon the request of such member, shall be entitled to a hearing before the Board, which, upon two-thirds (2/3) vote, may reverse or modify the Board's action.

ARTICLE VIII

An exception to this policy to permit businesses allowed under the Home Occupation Ordinance of the City of Blue Springs may be approved upon written request and approval by the Declarant or the Homes Association after it is created.

Section 3. Incomplete Structures. No building shall be permitted to stand with its exterior in an unfinished condition for longer than six (6) months after commencement of construction. In the event of fire, windstorm, or other damage, no building shall be permitted to remain in a damaged condition longer than three (3) months. Section 4. Easements.

(a) Utility Easements. Easements for installation and maintenance of utilities and drainage facilities are and will be reserved and granted by developer as shown on the recorded plat of the property. Developer may also grant such easements for installation and maintenance of utilities and drainage facilities over, across and under common areas by document separate from the recorded plat for the property at any time. FILE

The easement area of each parcel and all improvements in it shall be maintained continuously by the Association except for those improvements for which a public authority or utility company is responsible. Water, gas, electricity, telephone and other utilities shall be located underground on each residential lot and other tracts of land, except perimeter lots and tracts.

(b) Landscape Easements and Entry Monumentation. Easements for the installation and maintenance of landscape plantings, entry monumentation, visual screening, berms, and the like are and will be dedicated, created, granted, and reserved by developer as more particularly set forth on the recorded plat(s) of the property (therein and herein referred to as "Landscape Easements"). Developer may also grant such landscape easements over, across and under common areas by document separate from the recorded plat for the property at any time. Such landscape easements shall include the right of ingress and egress for construction and maintenance purposes. No owner shall, within these landscape easements, erect, install, or maintain any structure, fence, or other improvement. The area within any such landscape easements, including entrance areas and entrance monumentation shall be maintained, replaced, and cared for by the Association.

(c) Landscape Improvements. The Declarant hereby reserves the right to require certain plantings and landscaping to comply with any applicable City of Blue Springs ordinances or codes for residential structure to include plantings of trees and/or bushes as required by City ordinance or guidelines propounded by the Declarant with the Board of Directors.

FILE

vehicles shall be operated in or on the property except for the sole purpose of transportation directly from a residential unit in the property to a point outside the property or directly from a point outside the property to a residential unit in the property.

Section 6. Nuisances. No noxious or offensive activity shall be carried on upon any portion of the property, nor shall anything be done thereon that may be or become a nuisance or annoyance to the neighborhood nor shall any parcel or Living Unit be used in any way for any purpose that might endanger the health or safety of any owner or resident of a building.

Section 7. Utilities. Water, gas, lights, telephone and other utilities shall be located underground on each parcel.

Section 8. New Construction. All buildings permitted on parcels shall be initially new construction. No building or structure shall be moved onto any parcel.

Section 9. Animals Prohibited. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any parcels, except that dogs, cats or other common household pets not to exceed two (2) in number may be kept inside the building on each parcel (not outside of the building) provided they are not kept, bred, or maintained for any commercial purpose. In no event shall such animals be kept on any parcel if they unreasonably disturb the owner or residents of any other parcel. All animals will be confined inside the building on the owner's parcel, except when on a leash or when in direct and constant control of the owner thereof or a member of his family. The construction, placement, or erection on any parcel of any structure, enclosure, cage, dog pen, dog run, or other devise used to confine or house dogs, cats or other animals is prohibited.

The annual, special and parcel assessments, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. The annual and special assessments, together with interest thereon, costs of collection thereof and reasonable attorneys fees, as herein provided, shall be a charge on the land and shall be a continuing lien upon the property upon which each such assessment is made.

the properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area. Beginning January 1 following the year of the conveyance of the first lot to an owner, the annual assessment shall be Three Hundred Seventy Five and no/100 Dollars (\$375.00) per residential lot. However, the assessments for all lots owned by the Declarant under Article IV shall be assessed separately and shall be exempt from annual assessment unless first conveyed to a subsequent owner without regard to assessments imposed against other lots, residential units or land.

(b) Special Maintenance Assessments. Special assessments may be imposed by the Board of Directors upon any Single-Family Residential lot or other lot for the purpose of maintaining the exterior appearance thereof if the owner shall have failed or refused to do so, including but not limited to mowing and cleaning of unsightly brush and debris, painting, repairing, replacing and caring for roofs, gutters, downspouts, and exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements necessary to keep the owner's property from deteriorating or becoming unsightly. For the purpose solely of performing the exterior maintenance authorized by this paragraph, representatives of the Association and its duly authorized agents or employees shall have the right, after reasonable notice to the owner, to enter upon any lot, unit or other property at reasonable hours on any day except Sunday.

(c) Special Assessments for Capital Improvements. In addition to the foregoing, the Association may levy in any assessment year uniform special assessment against lots, units and acreage, by category, applicable to that year and not more than the next two succeeding years, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal

FILE

property related thereto, providing that any such assessment shall have the assent of the Class B member and be approved by two-thirds (2/3) vote of Class A and Class B members present and voting in person or by proxy at a regular or special membership meeting.

Section 3. Maximum Increase of Assessment.

(a) From and after January 1, 2003, the annual assessment may be increased each year by not more than ten (10%) percent of the maximum annual assessment for the previous year without a vote of the membership in conformance with the rise, of any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) between the months of July during the two immediately preceding calendar years.

(b) From and after January 1 of the year immediately following the conveyance of the first lot by Declarant to an owner, the annual assessment may be increased above that established by the Consumer Price Index by a vote of members provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members voting in person or by proxy at a meeting duly called for this purpose, written notice shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum basis of assessments undertaken as incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Uniform Rate of Assessment. The amount and time of payment of the regular assessment shall be determined by the Board of the Association pursuant to the Articles of

FILE

Incorporation and ByLaws of the Association after giving due consideration to the current maintenance costs and needs of the Association. Written notice of the amount of an assessment, regular or special, shall be sent to every owner at least thirty (30) days in advance of the due date and the due date for payment of any assessment shall be set forth in said notice, and may be collected on a monthly basis.

Section 5. Quorum for any Action Authorized Under Sections 2, 3 and 4. At the first meeting called, as provided in Sections 2, 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty (60) percent of all votes of Class A and B membership shall constitute a quorum. Written notice of any meeting called for the purpose of taking any action authorized under Sections 2, 3 and 4 shall be sent to all members no less than fifteen (15) days or more than sixty (60) days in advance of said meeting. Said notice shall be given to the members by mailing a copy of such notice, postage prepaid, to each member entitled to vote thereat, addressed to the member's address last appearing on the books of the Association or supplied by such member to the Association for purpose of such notice. Such notice shall specify the place, date and hour of the meeting, and in the case of a special meeting, the purpose of the meeting. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum, at any such subsequent meeting, shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Certificate of Payment. The Association shall, upon demand, furnish to any owners liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether the regular and special assessments on a specified parcel or Living Unit have

FILE

been paid and the amount of the delinquency, if any. A reasonable charge may be made by the Board of the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten (10%) percent per annum, and the Association may bring an action at law against the owner personally obligated to pay same, or foreclose the lien against the property, and interest, costs and reasonable attorneys fees of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his parcel or Living Unit or other property.

Section 8. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any lot or Living Unit or land shall not affect the assessment lien. However, the sale or transfer of any lot or Living Unit which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments therefor which became due prior to such sale or transfer. No sale or transfer shall relieve such lot or Living Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

FILE

- (a) all properties dedicated to and accepted by a local public authority;
- (b) the common area; and
- (c) all lots or Living Units owned by Declarant.

However, no land, lot, Living Unit shall be exempt from said assessments once conveyed from Declarant to a subsequent owner.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 1. The Architectural Review Board. An Architectural Review Board consisting of three (3) or more persons shall be appointed by the Class B members. At such time as the Class B membership shall cease to exist, the Board shall be appointed by the Board of Directors of the Summerfield East of Blue Springs Homeowners Association, Inc.

Section 2. Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the properties and of the Single-Family residences and improvements constructed thereon in such a manner so as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography.

Section 3. Conditions. No improvements, alterations, repairs, excavations, changes in grade or other work which in any way alters the exterior of any property or the improvements located thereon from its natural or improved state existing on the date such property was first conveyed in fee by the developer to an owner shall be made or done without the prior approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. No building, fence, wall, residence or other structure shall be commenced, erected, maintained, improved, altered, made or done without the prior written approval of the Architectural Review

FILE

Board.

Section 4. Procedures. All approvals and consents of developer or the Architectural Review Board must be in writing and oral approvals or consents shall be of no force or effect. In the event developer or the Architectural Review Board, as applicable, fails to approve, modify, or disapprove in writing an application within thirty (30) days after complete plans and specifications in writing have been submitted to it, in accordance with any procedures adopted at any time or from time to time by developer or the Architectural Review Board, approval will be deemed granted. The applicant may appeal an adverse Architectural Review Board decision to the Board of Directors of the Association, which may reverse or modify such decision by a two-thirds (2/3) vote of such Board of Directors. No appeal may be taken from a decision of developer. Once a set of plans and specifications have been approved by developer, no changes may be made to the exterior of the building during construction until the written approval from the developer is obtained in accordance with the procedures of this Section 4. Developer may, under special situations and circumstances, allow variances or waivers of the requirements or terms set forth in this Declaration, and any variance or waiver granted shall not constitute a waiver of such requirement or term in any other situations or under any other circumstances. Developer or the Architectural Review Board may reject any plans and specifications, with or without citing specifics, for any of the following reasons, among others:

- (a) insufficient information to adequately evaluate the design, intent, or extent of the subject of such plans and specifications; or
- (b) poor overall design quality; or
- (c) incompatible design elements; or

FILE

- (d) inappropriate design concept or design treatment; or
- (e) a design or concept that violates any provision of this Declaration or that otherwise has an adverse effect on the property or any owners.

By its approval of any plans and specifications, developer or the Architectural Review Board shall not be deemed to have approved the same for engineering design, or for compliance with zoning and building ordinances, and by approving any such plans and specifications, neither developer nor the Architectural Review Board nor the Association, nor their officers, directors, members or other agents or representatives, assumes any liability or responsibility therefor, or for any defects in any structure constructed from such plans and specifications. Approval of any plans and specifications by developer or the Architectural Review Board shall not constitute a representation or warranty that any such plans or specifications comply with applicable governmental ordinances and regulations, including, but not limited to, zoning ordinances and building codes. Any person or entity submitting any such plans and specifications shall be responsible for, and shall comply with, applicable governmental ordinances and regulations including, but not limited to, zoning ordinances and building codes, in addition to complying with this Declaration and complying with any decisions made pursuant hereto by developer, the Architectural Review Board, or the Board of Directors of the Association. Use restrictions set forth in this Declaration and decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association may be more restrictive than applicable zoning ordinances and building codes. In any case in which use restrictions set forth in this Declaration or decisions hereunder by developer or the Architectural Review Board or the Board of Directors of the Association are at variance with any zoning ordinances or building codes, the more restrictive

FILE

requirement shall govern. Developer, its representatives, or any authorized officer or director of the Association, or any member of the Architectural Review Board, may at any reasonable time enter, without being deemed guilty of trespass, upon any parcel or Living Unit, after reasonable notice to the owner for the purpose of inspecting improvements, constructed or being constructed on such lot or Living Unit to ascertain that such improvements have been, or are being, built in compliance with plans and specifications approved by developer or the Architectural Review Board or the Board of Directors of the Association and in accordance in all respects with this Declaration.

Section 5. Notice of Violation. In the event of non-compliance with the provisions of this Article, the Architectural Review Board may cause to be placed of record against the property in non-compliance, a notice of violation. A minimum fee of \$75.00 shall be levied by the Association against the property if such notice is filed. Such fee, together with attorneys fees, legal and other costs, reasonably expended by the Association to bring the property into compliance, shall be added to and shall become part of the property assessment and may be enforced as a lien against the property.

Section 6. Rules and Regulations. The Architectural Review Board may from time to time adopt and promulgate such rules and regulations regarding the form and content of the plans and specifications to be submitted for approval, and may publish or record such statements of policy, standards, guidelines, or establish such criteria relative to architectural styles or details, colors, setbacks, materials or other matters relative to the architectural control and protection of the environment, as it may consider necessary or appropriate. No such rules, regulations, criteria or the like shall be construed as a waiver of the provisions of this Article or any other provision or requirement of law or of this Declaration. The decisions of the Architectural Review Board shall

FILE

be final, except that any member who is aggrieved by any action or forbearance from action by the Board may appeal the decision of the Architectural Review Board to the Board of Directors and, upon the request of such member, shall be entitled to a hearing before the Board, which, upon two-thirds (2/3) vote, may reverse or modify the Board's action.

GENERAL PROVISIONS

Section 1. Enforcement. Enforcement of the covenants, conditions, restrictions,

reservations, easements, liens, and charges set forth in this Declaration shall be as herein provided or otherwise by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenants, conditions, restrictions, reservations, easements, liens, and charges, either to restrain violation or to recover damages or both, and against the land to enforce any lien or charge created by this Declaration. Except as otherwise provided in this Declaration, any such action may be initiated by developer, any affected or aggrieved owner, or the Association created and referred to herein. Failure by developer, any owner, or the Association to enforce any covenants, conditions, restrictions, reservations, easements, liens, or charges herein contained, or any delay in such enforcement, shall in no event be deemed a waiver of the right to do so thereafter. Developer reserves the right, in developer's sole discretion, to assign or delegate any rights or obligations of developer under this Declaration.

Section 2. Term and Amendment. The provisions of this Declaration shall run with and bind the property for a term of twenty (20) years, commencing on the date hereof, after which period the provisions of this Declaration shall be automatically extended for successive terms of ten (10) years. The provisions of this Declaration may be amended during the initial twenty (20) year period by an instrument signed by owners of not less than sixty (60%) percent of all votes which may be cast by members, and following such initial twenty (20) year period, by an instrument signed by owners of not less than two-thirds (2/3) of all lots. Any such amendment shall be effective upon the date that such instrument shall be properly executed, acknowledged, and filed of record in the office of the Recorder of Deeds for Jackson County, Missouri.

Section 3. Mortgaging or Conveyance of the Common Area. The common area cannot be mortgaged or conveyed without consent of at least two-thirds (2/3) of the lot owners. Provisions

of this Section shall not be applicable to the Declarant.

Section 4. Rights of Ingress and Egress. If ingress and egress to any lot of Living Unit subject to these restrictions is through any common area, then any conveyance or encumbrance referred to in Section 3 above shall be subject to Living Units' easement of ingress and egress.

Section 5. Special Amendments. Notwithstanding any other provision hereof, Declarant reserves the right and power, if necessary, to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time (a) to comply with the requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities and/or (b) to induce any of such agencies or entities to make, purchase, sell, insure or guarantee first mortgages covering lots. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to make or consent to a Special Amendment on behalf of each owner. Each deed, mortgage or deed of trust, other evidence of obligation, or other instrument affecting a lot and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the owner or Declarant to make, execute and record Special Amendments. No Special Amendment made by Declarant shall affect or impair the lien of any first mortgage upon a lot or any warranties made by any owner in order to induce any of the above agencies or entities to make, purchase, insure or guarantee the first mortgage on such owner's lot.
