

Meet the Amy Williams Team

After 10 years in the Real Estate business and many referrals from great people like you, it has become apparent that I can better serve you and your referrals with the help of a couple great agents. I am honored and absolutely excited to be in business with Debbie Jackson and Debbie Fernandez, they are both highly qualified and customer service oriented and will be great assets to the Team!

Debbie Jackson has been a real estate agent for over two years now and was born and raised in Overland Park. She is more than excited to help clients find a new house to call home. With more than 13 years of sales experience, she is an asset to the Amy Williams Team. Debbie works hard to ask the RIGHT questions to help find her clients the RIGHT home. She is as passionate about real estate as she is about putting the needs of the customer first. Throughout the past 12 years, Debbie has relocated 4 times. Too many times she worked with agents just in real estate to collect their paycheck. They never took the time to ask questions, and find the right properties for her family. Debbie has strived to make it her mission to make sure her buyer's needs are being met, each and every time. By her tireless work ethic and desire to give personal attention, she strives to create a long-term relationship with each and every client. Debbie is licensed in Kansas and Missouri. Debbie can be reached at (913) 689-9424.

Debbie Fernandez is returning to real estate after taking a break to enjoy some time with her grandkids. Debbie was licensed from 2004 to 2007 and as a life-long resident; she knows the Kansas City area well. Debbie has worked for many years in the customer service field to include 10 years with Farmers Insurance. Great service for her clients and a caring attitude are what makes Debbie a valued member of the Amy Williams Team. Debbie knows buying a home is possibly the biggest financial decision her clients will ever make and she strives to make sure her clients are getting the very best for their investment. She is excited to be back in the Real Estate business and

looking forward to helping many home buyers become happy home owners. Debbie is licensed in Kansas and Missouri. Debbie can be reached at (913) 620-8380

Madison Williams has been our Office Manager and Transaction Coordinator for over a year now and is an invaluable part of the Amy Williams Team. She makes sure everything goes smoothly from start to finish with each of our clients. She takes pride in her work and she is always looking for ways to improve the service we provide to you. Madison is a licensed Real Estate Agent in the states of Kansas and Missouri and is here to help.

Amy started her real estate business in March of 2004. She hit the ground running and closed \$1,000,000 worth of business just 2 months later. Amy works full time and has consistently been a Top Individual Agent in her office. Her life-long love of houses combined with her enjoyment in meeting and helping people make her a responsive, caring agent. Amy is focused on empowering her clients through knowledge and education every step of the way. She has been named as a FIVE STAR Real Estate Agent and has earned her designations as ABR, WHS, CRS and CDPE. Prior to becoming a Real Estate Agent, Amy worked as a loan processor and closer with Countrywide Home Loans, and has spent most of her professional life working in the housing industry.
