District-by-district TAKS results

12:00 AM CDT on Tuesday, June 13, 2006

Here's how North Texas school districts fared on this spring's Texas Assessment of Knowledge and Skills. All scores were reported to *The Dallas Morning News* by the districts. All rates are for the English version of the test; they do not include the small percentage of children statewide who are tested in Spanish. For each test you'll see two numbers: Passing rate (P) and commended rate (C). The number of correct

C - Commended rate
