# 2011 Vendor Directory

## Attention Brokers

The vendors listed in this directory have been referred by your fellow brokers. As an office, Keller Williams Realty DTC, LLC has NOT taken any steps to investigate any of these vendors. We highly recommend that you advise your clients to fully investigate ANY vendor they choose to hire, including the vendors on this list. Neither you nor your clients are under any obligation to use these vendors. If one of your clients does decide to use one of these vendors and reports a bad experience to you, please bring it to our attention immediately.

## Alphabetical Referral Reference

This is a PARTIAL list of agents who have experience with these vendors. It is intended to give you at least one agent you could call for a reference. Not all vendors are listed. *The absence of a listing or a single referring name does NOT reflect negatively on a vendor*- it indicates we don't have better information. Some vendors have been in our directory for years and are not on this list because we no longer have a record of the original referring agents.
