**Winds**

Average Wind Speed (mph)	8.4	8.8	9.2	8.7	7.7	6.2	5.3	5.2	6.3	6.6	7.5	8.1	<b>7.3 mph</b>
Average Wind Direction	SE	SE	SE	SE	SE	SE	SE	SE	SE	SE	SE	SE	<b>SE</b>
Peak Gust (mph)	52	51	51	59	52	56	52	69	51	55	45	52	<b>69 mph</b>

Heating/Cooling Degree Day is the total degree difference of the average temperature and 65 degrees F

The rainfall totals in the winter months are water equivalent, which includes all snowfall.

Freezing rain is included in the snowfall totals.

Temperature, rain/snowfall and average wind speed/direction are 30 year averages.

Peak wind data is a 15 year average.
