"The house is very comfortable and the area seems very nice. I'm just relaxing and enjoying Bergen County--we even plan to go out to dinner with my dad and my sister's family tonight to the Blue Moon Mexican Restaurant right around the block in Woodcliff Lake. We'll definitely have you over sometime later this spring/summer to see the place. I just wanted to say again how impressed I was with your professionalism and personal touch throughout the entire process."

I feel I not only had top-notch realtors, but friends."
